“AUTOGRAPHS” Designed-Style Nameplates - Price Schedule 100

STEP 1 - Determine Nameplate Size:
No. 001: 1 3/4” x 7/16”
No. 002: 2 3/8” x 9/16”
No. 003: 2 3/4” x 3/4”
Other sizes available; call Metalcraft.

STEP 2 - Determine Style and Color: Designed-Style “AUTOGRAPHS” are offered with any combination of logo, stylized type or block type printed in any one or two standard Metalcraft colors: black, red, blue, green, or yellow. Call for details.

STEP 3 - Determine Serialization: Select any of the following. Be sure they fit on your nameplate.

Actual Sizes Shown - Proof available upon request.

MC 6 12345
Ten 1/8” characters require 1 1/4” length

867 987654
Ten 3/16” characters require 1 3/4” length

7-KA123456
Ten 1/4” characters require 2 1/4” length

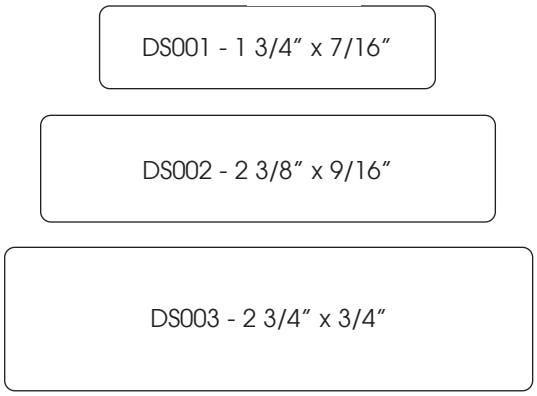
987654
Size 3/8” characters require 1 1/2” length - numbers only

The first six character positions starting from the left for 1/8”, 3/16”, and 1/4” sizes may be numbers, letters or spaces. The last four must be numbers or spaces. The 3/8” size allows for up to six numbers only.

Leading zeros will be added so the beginning and ending number in each sequence has an equal number of characters.

STEP 4 - Determine Nameplate Copy: Please clearly print or type the wording and punctuation. Show logo position, color separation, and send original logo or stylized type. Metalcraft reserves the right to modify original artwork for efficient reproduction by commercial printing methods. Additional charges may need to be added with your approval. Show the serial number size and beginning and ending numbers and prefixes.

STEP 5 - Determine Quantity: Order in multiples of 100, providing quantity and exact serial numbers required. Please provide beginning and ending numbers and prefixes, if any. We recommend a maximum order quantity of one year for pressure-sensitive adhesive due to the shelf life of the adhesive.

STEP 6 - Determine Price: Refer to prices per 100. Options available include:
- Preformed nameplates (for curved surfaces), add $5.00 per 100.
- Sequence changes, add $3.50 for each change.
- Copy changes, add $50.00 for each change.
- Color changes (red, blue, green or yellow), add $50.00 for each change.


NOTE: You may combine orders for copy or color changes to take advantage of price for total quantity. The following policies apply:
- Orders may be combined for copy or color, not both.
- Nameplates must be the same size and type.
- All nameplates produced at the same time.
- Changes made in multiples of 100 with 500 minimum.
